Dear Friends,

As you may know my father, Marvin Luecke, passed away on April 7th. It was a very peaceful passing (he just feel asleep and did not wake up). He had been in a nursing home for the past three years, and although he was generally healthy, his heart just gave out.

My mother, Margaret, asked me to write and let you know about his passing and also to let you know how much joy he got out of his membership in the Milwaukee Ham Radio Club and the club in Menomonee Falls.

Please discontinue his subscription to your newsletter at this time and know what pleasure he received from it in the past.

Sincerely,

Susan
